Please answer the following questions as thoroughly as possible, use the back of the page if necessary.

1. Staff meetings are held on a monthly basis depending on your position (1-2 hours each month). Can you commit to these meetings in addition to your regular volunteer activities?

YES

NO

2. What is your current schedule of activities, and will you be able to commit 6-10 hours every month for the next six months?
3. Tell us about your motivation to volunteer at St James Infirmary. What kind of community connection or skill development do you hope to build through being part of our team?
4. What kinds of life/work/training/volunteer experiences do you have that relate to the philosophies of the St. James Infirmary? If you have chosen more than one position, please indicate your preference and applicable skill level.
5. The St James Infirmary is a peer-based organization that seeks to honor the individual experiences of people who are often targets of criminalization, racism, homophobia, transphobia, class and gender based discrimination/violence. We expect all staff and volunteers to act with humility and respect while providing services. What is an example of a time you have worked to overcome prejudices against cultures/communities different than your own?
6. Tell us about your personal/professional connection to the following communities:
