Dale Johannes-Host and Auctioneer

Dale is delighted to be a part of St James Infirmary gala! He has worked extensively as an actor for over 30 years — no wonder he’s excelled as a Master of Ceremonies for almost two decades as well! Dale has proudly worked in the field of HIV research and treatment for 24 years (and counting).

Marga Gomez is a nationally known LGBT stand-up comedian, writer, and actor seen on Sense8 (Netflix) HBO’s Comic Relief and LOGO’s “One Night Stand Up.” Marga’s numerous honors include the GLAAD award for theater and “Best Comedian” awards from Bay Area Reporter, SF Weekly, and the Bay Guardian.

Jennifer Holliday catapulted to stardom 35 years ago in the smash Broadway musical, Dreamgirls, with her show-stopping performance as Effie “Melody” White, the iconic role which garnered her a Tony Award for Best Actress in A Musical. Ms. Holliday appeared as Lisa Knowles on the Fox TV dramedy, Ally McBeal. She has also enjoyed a successful recording career, winning Grammy® Awards for her mesmerizing performances of “And I Am Telling You, I’m Not Going” (1982) and Duke Ellington’s “Come Sunday” (1985). Ms. Holliday has also received rave reviews for her first album in two decades, The Song Is You (2014).

Lawrence Beamen Labeled by America’s Got Talent judge Piers Morgan as “The New Barry White,” Lawrence pours his heart and soul into every song he sings, from R&B to classical to adult contemporary and spirituals. Lawrence was top 5 on NBC’s hit TV show America’s Got Talent, which garnered over 44 million viewers. His powerful rendition of “Ole Man River” evoked powerful emotions in viewers, and brought the studio audience to their feet. He won the hearts of the judges and received millions of votes from fans across America and around the world - Lawrence made it to the final round of competition and toured in Las Vegas on America’s Got Talent Live. Recently, he has performed the national anthem and half-time shows for the NFL and NBA.

Afterparty host is Sister Roma

For more than three decades Roma has shined as one of the most outspoken and recognizable members of the infamous Sisters of Perpetual Indulgence, dedicating more than half her life to activism and FUNdraising. In her secular life, Roma serves as Art Director for NakedSword/Falcon Studios Group and has been a lifetime advocate for sexual health. When she’s not out distributing whistles with her Stop the Violence Campaign she’s probably hosting the red carpet at an adult industry award show or serving the T at her legendary RuPaul’s Drag Race viewing party. From the main stage at SF Pride to the nightclubs of Paris you never know where this fine feathered queen will pop up, but you can be sure it will be a religious experience!

Micahtron San Francisco native Artist is doing the Bay Area proud with her unique brand of queer-positive Hip-Hop, with a deep electric sound and sexy come-on

- What:** Our 20th Anniversary Gala
Celebrating lives saved and improved health for thousands of sex workers and their families in our community.
- Goals:** We aim to raise \$100,000 in support of our unique mission and programs. For 20 years, St. James has been the only organization that does what we do- and we need you to ensure we can continue our vital work for the next 20!
- When:** June 2, 2019 * 6PM VIP Reception * 7:00PM Gala begins * 8:30 PM After-Party * Midnight we say, “Good night!”
- Where:** Terra Gallery & Events, 511 Harrison Street, San Francisco, CA 94105
- Why:** Because sex workers are a part of our community and deserve to be treated with dignity.
- In the late 90s, a local woman arrested for soliciting in San Francisco had her blood drawn in the jail without her consent and was not informed as to the nature of the test. Feeling violated, she called COYOTE for support. COYOTE and EDA members suggested to the San Francisco Department of Public Health STD Control and Prevention Section (also known as “City Clinic”) that there was a much more efficient and compassionate way to address Sex Worker Health – creating St. James Infirmary. Our clinic is named after our honored Margo St. James—the sex worker, feminist, and activist who founded COYOTE in the early 70’s.
- There are many factors which affect the working conditions and experiences for all Sex Workers including the political and economic climate, poverty and homelessness, stigmatization, violence, as well as the overwhelming intricacies of the legal, public and social systems. It is the philosophy of St. James Infirmary to build upon existing skills and strengths in order to allow individuals to determine their own goals.
